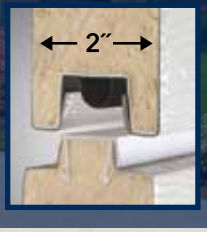
  - Finish Warranty (pg 30)
  - 6 Year Hardware
  - 3 Year Spring
  - 1 Year All Other Components



2000 series doors include **Air Infiltration Seals**, which exceed the ASHRAE 90.1 Standard when installed with standard bottom seal and commonly available rigid/flexible vinyl door stop.

A **Full Thermal Break** is used in the tongue-and-groove construction. This rigid vinyl extrusion seals the joints and eliminates metal-to-metal contact, which limits the transfer of temperature.

2060 **in uni-directional american walnut with 3-pane carriage house windows**
